INTRODUCING...THE NEW STUDENT BULLETIN!!

In order to make the Student Bulletin more useful to the students, Student Development, the office that produces the Student Bulletin, requests that the following format be followed when submitting articles for the Student Bulletin:

- 1. Submissions must be in the Student Development Office (second floor Humanities) by no later than 12n on the Tuesday before the Thursday that the Bulletin comes out. We are Box 52.*
- 2. Last semester, we tried to implement the usage of the Student Bulletin Submittal forms. This really does make organizing submittals much easier. They will be distributed to the clubs and sororities at the Student Assembly meeting on September 17, or you can come by the Student Development office and pick one up.*
- 3. Last but not least, we are implementing new usage for the Bulletin this year. For this reason, there will be a two week limit on the length of time a submission can stay in the Bulletin. This way, we are hoping to be able to serve more of the college and keep the Bulletin new and interesting for the students.*

If you have any concerns or questions regarding the Student Bulletin, please feel free to contact Peggy Ball in the Student Development Office x3216.

WELCOME KATHLEEN ALLEN!!!

Kathy Allen is the new Dean for Student Development. Kathy began in the first part of August, and has already made many positive contributions to the Mount. She extends an open invitation to all students to come and meet her. Her office hours are 8:30am to 5:pm Monday through Friday. She is located in Student Development on the Second floor of the Humanities Building.

GREAT PUBLICITY IDEA!!

Pi Theta Mu has purchased a 2 1/2" button machine. If any campus organization ever has a need for buttons for a special event, please contact Sister Sharon Baker at x3280 for details.

ART NEWS

Kim Abeles will display Pilgrimage to the Wedge (Phase II of the Mountain Wedge Project) and Lauren Richardson will display her paintings at the first exhibition of the year. The exhibition will be held in Jose Drudis-Biada Art Gallery from September 28 to October 23, 1987. The reception will be held Sunday, September 27, 1987 from 1-3pm in the Gallery. The gallery's hours are Monday through Friday, 12-5pm.

TUTORS NEEDED!!

If you think you have the expertise and qualities of a tutor, please see Sister Sharon in the Learning Assistance Center. Tutors must have the approval of instructors in areas to be tutored.

SAFETY/SECURITY MEASURES

Since our college is located in a residential area, we have to be alert and aware of the speed limits that are posted. These are for everyone's protection and especially for the pedestrians, children, and pets in our neighborhood. After 9:00pm, when driving on or off campus, please stop at the Guard House at our entrance as requested by the college and the Security Officer. This procedure, which is for the safety of our Mount Residents, extends until 5:00am.

HANDICAPPED PARKING

Anyone who must use a handicapped parking space on the Chalon Campus, must make a request each year. The Mount Permit is not valid after one academic year. A permit may be requested from Sister Edward Mary. Any person having a California state handicapped permit, does not have to request a college permit.

PARKING PERMITS

A parking permit decal is required on any automobile which is parked on either the Doheny Campus or the Chalon Campus and this permit is valid on either campus. On the Doheny Campus, parking decals may be obtained from Sister Barbara in the Business Office, Building 10. On the Chalon Campus, the parking decals can be obtained from the Traffic Officer located in the Lobby of the Little Theater. The deadline for securing your parking decal is September 18. After this date, violation citations will be given.

PI THETA MU

All Sophomores are invited and encouraged to join this honorary service sorority. Come to our first meeting tonight, Thursday September 10, in H303A. Then a regular meeting time will be set. Commuters, as well as resident students, are welcome. See you there!!

PREREQUISITE TESTING DATES

Prerequisite testing dates are posted around campus. If you plan on taking Chemistry 1A, Intro to Computers, College Algebra, Business Math, or Statistics, you will be required to pass a test. Be tested early in case you need foundational classes which are available. See Sister Sharon in the Learning Assistance Center for further information or for an appointment.

PRESS RELATIONS NEEDS YOUR HELP!

The News Office Student Data Sheets are available through the Registrar, for those who have misplaced the one given them. Tuesday • 15 September 1987

**Mount Saint Mary's College Motorcade Site:
East side of Figueroa between 9th Street and Olympic Boulevard**

**Vans and cars will begin leaving the Chalon Campus "circle"
for the Doheny Campus at 5.00 AM sharp!!**

Pope John Paul II is coming to Los Angeles on September 15 and 16. The only opportunity most of us will have to see him will be during the PAPAL MOTORCADE ON THE MORNING OF TUESDAY, SEPTEMBER 15. All other events are by invitation only.

*THERE WILL BE NO UNDERGRADUATE CLASSES AT MT. ST. MARY'S ON SEPT. 15 so that we will all be able to gather on our "designated block" for the motorcade.

*How will we get there?

Vans and cars will pick up Mount students, staff and faculty in the Chalon circle, beginning at 5 AM (until about 6:30 or 7 AM). Continental breakfast will be provided in the Rumpus Room.

We will go to the Doheny campus, where fully loaded cars with Mount stickers will be able to park. More refreshments will be provided, and we can join in the procession to our site. **

*Why so early?

Traffic and crowds will be congesting the area later in the morning, and some blocks and exits will be closed to vehicles. We'd like to be all together on our block by 8:30 AM.

*What will we do until the Motorcade comes?

We'll be having a party! There will be food and drink, music and festivities... along with folding chairs and (yes!) portable johns...

*Afterwards?

We'll head back to Doheny for a poolside lunch, ice cream sundaes and more music. (Bring your bathing suit!) Transportation will be provided back to Chalon.

**If you are physically impaired and unable to walk from Doheny to 9th Street, transportation will be provided.

JOIN US FOR THIS FESTIVE AND HISTORIC OCCASION!

MOUNT ST. MARY'S COLLEGE RESIDENCE REQUIREMENT

In accordance with accreditation standards, we require that the last 30 units before graduation be taken at the College. Of these, a minimum of 12 semester units must be in the student's major and earned in regular course work. This is the substance of the statement on page 55 of the College Catalog. This requirement will be interpreted in the strictest sense and exceptions will be made only in the case of extreme hardship or when the College does not offer, within the time left for graduation, a required course. Students should be aware of this requirement from the very beginning of their career at the College. It is particularly important that students who transfer in a major portion of their course work and who, unit-wise, take a smaller portion of the work for their degree at the College, do their academic planning with this requirement in mind. This reminder is being placed here so that there will be no very unpleasant "surprises" as graduation comes close.

DONATE BLOOD!!!

On September 30 from 10a-2:45p in the Rumpus Room, the American Red Cross will bring their Bloodmobile to Mount St. Mary's College for blood donations. If you've given before, you know how easy and relatively painless it is to donate. You also have experienced that heart-felt feeling that your one unit of blood could have possibly been used to save more than one life. If you have never donated before, you have yet to give the greatest gift one person can give another -- the gift of life. Blood is constantly in short supply, so please donate.

WHAT IS FOUNDERS DAY??

What does it commemorate? October 15 has long been celebrated as the day on which the first members of the Sisters of St. Joseph of Carondelet, the order of sisters who founded Mount St. Mary's College, were clothed with the habit in Le Puy, France in 1650. On this same date in 1925, Mount St. Mary's College received its charter from the State of California. The actual first Founders Day was the groundbreaking and dedication of the new college and was celebrated October 17 to coincide with the feast of Mother Margaret Mary, the first president of the college. Traditionally, though, October 15 remains the day on which we honor the eight members of the first faculty of Mount St. Mary's College -- the founders of the college. To celebrate the 62nd birthday of the Mount, join us in the circle, Thursday, October 15 from 12-? for birthday cake and birthday wishes.

MONDAY AT THE MOUNT

Do you want a reason for your roommate to clean her side of the room? Do you want a chance to show off your interior design skills? Do you want a chance to tell someone about life at the Mount? Then read on: Monday at the Mount is a program designed for high school students interested in attending the Mount. It gives them the opportunity to come on campus and see what college life and the Mount are about. They will spend a night in the dorms, sit in on classes, find out about student activities and programs. How can you help??? In one of three ways. First, you could host a student in your room (they don't bite and won't take up all of your time!) If you don't think your roommate will clean her side of the room and you'd rather just chat with these students, then why don't you try lunch time hostess. If you know the campus well and want to show them all the great views and shortcuts, you can also be a Monday at the Mount tour guide. If any of these ideas thrill you, and you are available either November 15 and 16 and/or December 6 and 7, Contact Ann Marano or Allison Lynch in the Admissions Office x3320 or Box 50. We are looking forward to hearing from you!

The second symposium commemorating the Constitution will be held Saturday, November 21, 1987, from 9:30 - 12:30 in the Little Theatre. Carl Builder, a senior researcher at RAND Corporation, will deliver the keynote address on "Defense". The Preamble to the Constitution stipulates "provide for the common defense"; Mr. Builder will discuss whether the United States is better prepared for war in outer space as opposed to dealing with terrorism at home or aggression in the Persian Gulf. A panel of academic authorities will follow. Dr. Leo Flynn, professor of political science at Pomona College; Dr. Lynn Green, professor of political science at Loyola Marymount University; and Dr. P. Edward Haley, Director of Keck Center for International Strategic Studies will discuss alternative interpretations to the keynote address.

MONDAY AT THE MOUNT

Do you want a reason for your roommate to clean her side of the room? Do you want a chance to show off your interior design skills? Do you want a chance to tell someone about life at the Mount? Then read on: Monday at the Mount is a program designed for high school students interested in attending the Mount. It gives them the opportunity to come on campus and see what college life and the Mount are about. They will spend a night in the dorms, sit in on classes, find out about student activities and programs. How can you help??? In one of three ways. First, you could host a student in your room (they don't bite and won't take up all of your time!) If you don't think your roommate will clean her side of the room and you'd rather just chat with these students, then why don't you try lunch time hostess. If you know the campus well and want to show them all the great views and shortcuts, you can also be a Monday at the Mount tour guide. If any of these ideas thrill you, and you are available either November 15 and 16 and/or December 6 and 7, Contact Ann Marano or Allison Lynch in the Admissions Office x3320 or Box 50. We are looking forward to hearing from you!

THE CONSTITUTION IN ACTION

The second symposium commemorating the Constitution will be held Saturday, November 21, 1987, from 9:30 - 12:30 in the Little Theatre. Carl Builder, a senior researcher at RAND Corporation, will deliver the keynote address on "Defense". The Preamble to the Constitution stipulates "provide for the common defense"; Mr. Builder will discuss whether the United States is better prepared for war in outer space as opposed to dealing with terrorism at home or aggression in the Persian Gulf. A panel of academic authorities will follow. Dr. Leo Flynn, professor of political science at Pomona College; Dr. Lynn Green, professor of political science at Loyola Marymount University; and Dr. P. Edward Haley, Director of Keck Center for International Strategic Studies will discuss alternative interpretations to the keynote address.

FROM CAMPUS MINISTRY

TWO EVENTS TO HELP END WORLD HUNGER

NOVEMBER 19: CAMPUS-WIDE FAST

Beginning at sunrise, exactly one week before Thanksgiving, the Social Justice Committee will be organizing a campus wide fast-- the Cause: End World Hunger. All day until sunset, every one is asked to abstain from food as a major participation in our campaign to end world hunger.

Every student or faculty member who fasts is asked to donate the money they would have spent to the Campus Ministry End World Hunger Fund where it will be forwarded in full to the Oxfam America Hunger Relief and Self- Development Project.

For Residents, the Cafeteria Service is willing to donate an appropriate sum of money to the effort to end world hunger, for every student who does not use their meal ticket the day of the fast! This is a generous offer. Make it work by being involved and abstaining from the Cafeteria November 19th!

By educating ourselves and being involved we sensitize our consciousness to human needs and ready ourselves to participate in human solutions.

Remember: There is nothing natural or inevitable about world hunger. Something can be done!

NOVEMBER 21: WALKATHON

The Saturday before Thanksgiving, the Social Justice Committee is conducting a ten mile Walkathon to Ending World Hunger. The walk will begin and end in the Circle winding through local avenues and streets.

Every two miles there will be a refreshment station with directions and minor first aid. Anyone who does not feel able to complete the course may remain at a station to be picked up by one of our Drivers and returned to campus.

All proceeds will go to the Oxfam America End World Hunger Program which emphasizes self- development, crisis relief and education.

In addition to walkers, volunteers are needed to attend 2-mile stations, drive the course, and sponsor walkers.

However you choose to participate, join us in this great demonstration of humanity as we walk and work together to End Hunger throughout Our World!

Some World Hunger Facts:

15 million Children die each year from hunger and hunger- related causes.

A million tons of grain would feed more than four million people a year.

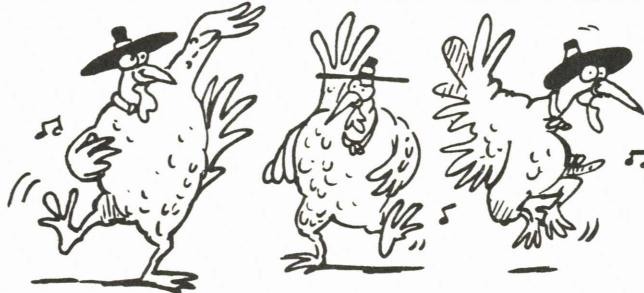

The surplus of grain hanging over the world grain market is almost 130 million tons in 1985.

The participants will gather company and product materials from manufacturers who are engaged in international trade. Dr. Peter H. Antoniou and Mrs. Katherine Whitman are the liaison between the California State World Trade Commission and Mount St. Mary's College. It is expected that 25-30 students will take part in this joint activity from both Doheny and Chalon campuses. We encourage sophomores with marketing interests to participate in this project. There were two students from the Doheny Campus who fulfilled, among other requirements, the following criteria: sophomores graduating with an A.A. degree in 1988 and planning to continue for a Bachelor's Degree in Business, 3.00 or above grade point average, completion of one year Math. Both innovation and artistic achievement are present in a new production by pianist/actress/writer Leith Kaplan. "Clara: A Monodrama and Piano Performance" tells the story of nineteenth-century concert pianist Clara Schumann. Today, Clara is most often thought of as the wife of Robert Schumann, but in truth she was probably a bigger celebrity than her composer-husband during their own lifetimes. MEMORANDUM

To: All Students
From: Financial Aid Office Staff
Re: Financial Aid for 1988-89

It is now time to apply for financial assistance for the upcoming academic year, 1988-89.

With the rising cost of education, financial aid often provides you with the opportunity to attend the college of your choice. Since there are so many factors in determining eligibility for financial aid, don't make the mistake of automatically disqualifying yourself.

The Student Aid Application for California (SAAC) may be picked up from the Financial Aid Office during posted office hours. Please take the time to complete the SAAC (1988-89) and submit it early. **NOTE:** Be sure to submit your application **after January 1, 1988**. If you mail before this date, The College Scholarship Service will mail it back to you unprocessed.

All California residents should apply for Cal Grant A, B, and/or C, whichever is appropriate. You can find a description of these grants and application procedures in the SAAC booklet, pages 4 and 12 and Section D on the application; or the Mount St. Mary's College Financial Aid Brochure.

Life is stressful, but have you noticed how it is affecting your nutrition, your body, and you? Ask yourself these questions: Am I a constant junk food eater? If you answer yes to any of these questions, please stop by the Student Health Services. If you do not have time but want to understand why this is happening or are looking for support to stop the disorder(s), there will be a therapy group for Eating Related Problems every Monday during the month of January at 4:30pm. The support group is run by Sandra Landen, M.A. in the Counseling Center. Don't be afraid to come and seek for help or just to listen.

COACH'S CORNER

The MSMC tennis team scored its all-important first win against Christ College, 5-2, although none of the victories could be taken for granted due to gusty wind conditions. MSMC suffered two heart-break losses at 1 and 5 singles. Merian Meade, our #1 player, has been accustomed to competing against hard-hitting, aggressive players at that position. Her opponent had an untypical counter-attack style which, with the wind, may have caught Merian mentally off guard. However, Merian bounced back for great doubles play. At #5 singles, "Al" Wright did a tremendous job of sticking with her game plan throughout her match despite a tenacious opponent and rather obnoxious spectators. Further match experience should sharpen Al's competitive edge. Tina Lomando, Caitlin Jaffarian, and Lisa Liddicoat all had great performances, winning their singles and doubles matches in straight sets. It's my hunch that this first win will help fuel the team for this Friday's match with Fullerton College.

COACH'S CORNER

The MSMC Tennis Team scored another win this past Friday, outlasting Fullerton College 5-4. Marian Meade resumed her winning ways at #1, out-powering her opponent 6-1, 7-5. At #2 singles, Caitlin Jaffarian easily disposed of her competition, 6-3, 6-2. However, both Tina Lomando and "Al" Wright came up short in their singles contests. With the match dead locked at 3-3, the tenacity and will that the Mount St. Mary's team fosters began to shine. To win the team match, both doubles matches were needed and MSMC more than met the challenge. After winning 2nd doubles, the burden fell on Jaffarian-Meade to bring home the win 4-6, 7-5, 6-4. Jaffarian felt that "We pulled together as a team to defeat Fullerton, all playing awesome individual matches." I felt that the MSMC mental attitude played an integral part in the win, over an otherwise very strong opponent.

COACH'S CORNER

A winning trend continues!!! The MSMC tennis squad soundly beat the "Brahmas" of Pierce College, 6-3, last Friday. Pierce College, a strong contender in the Western States Conference, could not handle the aggressive style of the MSMC singles players. Cagey on-court tactics allowed **Marian Meade** and **Lisa Liddicoat** to easily defeat their opponents in straight sets. On Saturday, MSMC dropped a hard-fought battle to NCAA Division II Chapman College 5-4. Although suffering a loss, the MSMC squad exhibited spirited play and added a sense of team cohesiveness. Congratulations go to **Lori Borgmann** who scored her first collegiate win, defeating her opponent 7-6 in a third set battle. **Borgmann** also scored a doubles win with partner "Al" **Wright**, the duo's first collegiate victory. **Marian Meade** continues to solidify her assertive and tenacious style in a big singles win. The team's next match is against Biola University on Friday, March 18. If interested in attending MSMC tennis home matches, please contact Coach Todd at Chalon Campus Athletics. Next home match: Saturday, March 26. **GOOD WORK TEAM!!!**

Re: Grad Ball Spring Gala 1988

As you probably already know, Grad Ball Spring Gala 1988 sold out in two days. At this time the Grad Ball Committee is working with various groups on campus to raise money so more bids can become available.

If more bids become available those students with their name on the waiting list will be contacted. Those students who want to go to Grad Ball should put their name on the waiting list on the ASB door.

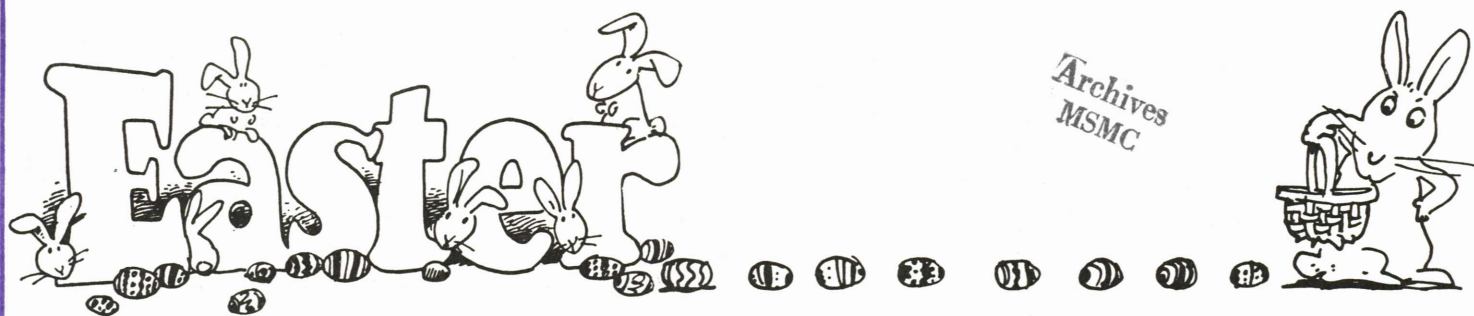

For those students who have purchased a bid and are now unable to attend Grad Ball, please contact Simone Stakich or Helen Gritt. You can leave a message for us in the ASB office. Students are not allowed to sell bids amongst themselves. They must be returned to Simone or Helen.

Only those students with their name on the Master List will be allowed into the hotel's Grand Ball Room. There will be a check off list at the entrance. So, if you buy a bid from another student and you show up at the dance, even if you have a invitation in your hand you will not be allowed in the room. In other words, bids are not transferable among students.

Thank you

GRADUATING?? EXCITED??

Somehow, these two words seem to go together at this time of year! But in the midst of the excitement, there are some preparations to take care of in advance. So, if you are a graduating senior, be aware of the following: 1. There are nomination forms for the Senior Class Speaker at Graduation available in the mailroom, on the fourth floor Humanities Senior Board, and on the Bulletin Board in the Campus Center. They are due by Thursday, March 31, before the break. Please pick one up and return to the mailroom by Thursday. (If no forms are available, just jot down the names of those you wish to nominate along with some rationale of "why" and hand that in.) 2. All Graduates should have received an individual packet with some important forms by now. If you did not, please call x2120 at Doheny and we will get one to you right away. These are due as soon as possible (so you might want to do them before Easter break) but no later than Wednesday, April 13. Be alert for more information in the coming weeks as the BIG DAYS draw nearer! Information will be in the Chalon Student News and posted on the Senior Board in Humanities.

RECENT PAINTINGS

Edith Baumann-Hudson, Patsy Krebs, and Phyllis Muldavin will have their Recent Paintings on display in the Jose Drudis-Biada Art Gallery on the Chalon Campus thru April 22. *****ATHLETICS*****

COACH'S CORNER

The MSMC Tennis Team traveled to Biola University last Friday and was outlasted by the Lady Eagles, 7-2. The two MSMC points were scored by **Marian Meade** and **Caitlin Jaffarian** whose persistence and fortitude allowed them to pull off tough, three-set matches. A promising doubles pair was established in **Tina Lomando** - "Al" **Wright**. Although they suffered a loss in their first outing, it appears that each player's style meshes quite neutrally with the other. **Lori Borgmann** dropped an emotionally laden battle 6-1 in the third set; yet, her consistent baseline style is repeatedly becoming her trademark. Next match: Pacific Lutheran University, Saturday, March 26, in Marina Del Rey.

ATTENTION INTERESTED ART MAJORS

MSMC offers, and will continue to offer, a Bachelor of Arts degree with a major in Art. The BFA is a performing arts degree requiring successful completion of 72 units of study. DISCONTINUANCE OF THE BFA DOES NOT AFFECT THE OFFERING OF A BACHELORS DEGREE WITH A MAJOR IN ART. Once again, the Art Department is NOT discontinuing the offering of the Bachelor of Arts degree in Art.

COACH'S CORNER

The MSMC Tennis squad came up short against an aggressive Pacific Luthern University last Saturday, 7-2. Neither earthquake nor severe mid-day temperatures could upset the PLU team, which took 5 of the 6 singles contests. Caitlin Jaffarian checked in as the sole singles victor, winning at #2 by the score of 6-2, 7-5. Jaffarian scored another point in doubles, aided by a spirited Marian Meade. PLU played an uncharacteristic style by never squandering a chance to approach the net, not commonly seen throughout all 6 singles positions. Also, nearly all the defects suffered by PLU have dealt by PAC-10 schools, a competitive crowd to handle. MSMC returns to the road with a trip to San Diego which pits the team against South Western College and Point Loma.

*****ATHLETICS*****

COACH'S CORNER:

The MSMC Tennis Team poured on the style to avenge an earlier loss to Cal Tech, 5-4. Traveling with a skeletal crew of 4 players, the "Mounties" were able to win 3 of 4 singles matches and both doubles to score the team win. **Marian Meade** played very assertive tennis, keeping her opponent constantly off balance and struggling for rhythm. At #2 doubles, **Tina Lomando** and **"Al" Wright** capitalized on their spirited styles of play to come from behind and clinch the match; surely a sweet victory for "Al" being a native resident of the Cal Tech area. The entire team match was assured once **Marian Meade** and **Caitlin Jaffarian** took the 1st set in their #1 doubles match. Congratulations to all the players for a fine effort!!! Next match: Biola University, May 6 in La Habra.

*****JUST A REMINDER*****

CONSTITUTION SYMPOSIA

The fourth and final symposium commemorating the Constitution will be held Saturday, April 30, from 9:30 to 12:30p in the Little Theater. The topic for the final session is "Liberty." In commemoration of the Bi-Centennial of the United States Constitution, the History and Political Science Department at MSMC is sponsoring an ongoing symposia "The Constitution in Action," focusing on the contemporary application of the four key goals of the Preamble. The keynote speaker will be Dr. Carole Goldberg-Ambrose, Associate Dean at UCLA School of Law, followed by a panel discussion offering alternative interpretations. We look forward to seeing you there.

MSMC/UCLA CROSS REGISTRATION

As a result of negotiations with the Chancellor's Office at UCLA, we have signed an agreement for a limited cross-registration program for MSMC and UCLA students. There will be no charges for this cross-registration or for courses taken in the program other than lab/studio fees, books, etc. Transportation to and from UCLA shall be the responsibility of the student. Mount participants in the program must have at least sophomore standing, a cumulative GPA of 3.2 or greater, and the signed permission of their advisors and the Registrar. VENTURE OUT TO EUROPE THIS SUMMER!

Visit the Holy Shrines of Europe at your own pace with family, friends, or by yourself. Anna's Travel Service arranges airfare, hotels, and transportation at a lower price than most travel packages. You will be able to see: France: Our Lady of Lourdes Shrine, the largest underground church; Portugal: Shrine of Our Lady of Fatima, Church of the Bleeding Host; Spain: El Prado Museum, Plaza Mayor, El Palacio Real; Paris: (optional) Palace of Versaille, Notre Dame Cathedral -- and much, much more! Half-day and full-day tours available upon request. **DEADLINE FOR ARRANGEMENTS: April 27, 1988.** For more information, call Anna Juarez (213) 299-5338 (evenings).

INTERESTED ART MAJORS

MSMC offers, and will continue to offer, a Bachelor of Arts degree with a major in Art. Some misunderstanding may have arisen because the Curriculum Committee has recommended the discontinuance of the BFA. The BFA is a performing arts degree requiring successful completion of 72 units of study. ITS DISCONTINUANCE DOES NOT AFFECT THE OFFERING OF A BACHELORS DEGREE WITH A MAJOR IN ART. Once again, the Art Department is NOT discontinuing the offering of the Bachelor of Arts degree in Art.

HEALTH ADVOCATE SELECTION

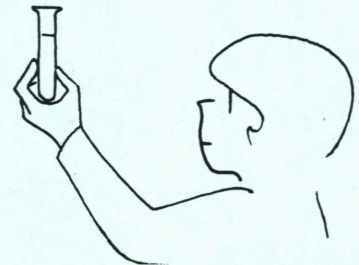

The time has come to select Health Advocates for the 1988-89 school year. Health Advocates are specially trained students who:

- 1) Plan and implement health education programs throughout the year.
- 2) Work in the Health Center, providing supportive services and health teaching.
- 3) Provide emergency service and health counseling on a rotating basis during hours when the Health Center is closed.

Eight Health Advocates will be chosen for the school year beginning in September, 1988. Qualifications for the position include:

- * Commitment to serving others.
 - * Ability to take initiative and make decisions, especially in stressful situations.
 - * Interest in health care and health promotion.
 - * Strong communication and problem solving skills.
 - * Ability to relate to and empathize with others in a nonjudgmental way.
- * A grade point average of 2.5 and residence on campus are also required. In addition, all applicants must be willing to attend a week of orientation and training beginning on August 29.

If health advocacy interests you, please join this year's Health Advocates and our Health Services Director for an informal/informational meeting in Brady Parlor on Monday, April 25, at 8:40 p (directly after the presentation on stress management). Applications, refreshments, answers to your questions, and good fellowship will be available!!
